Installation of council members will be February 18 at both locations. Passed a sign-up sheet around for devotions. We will get everyone's e-mail address so we can send out items in a timelier manner. Once we have all the e-mail addresses set up minutes will try to be out with in a week.

Mark Naumann presented the "Looking Ahead" project. They are looking for volunteers to help with different projects. Will have sign-up sheets at both

locations. The month of May will be here before we know it and we need all the help we can get from the congregation.

Looking at expanding our current system for e-mail purposes. Possibly sending out the Shepherd via e-mail.

“Bible School” what is it going to look like this year?
